

RACE OFFICE SUPPLIES/PICKUP/RETURN SCHEDULE

The following units are responsible for picking up race materials, working the race office and returning race results to Elaine following the race. If two clubs are listed, the first club has responsibility for pickup/return. **All other units, even though not listed, are responsible for working each individual race. If you cannot pick up materials when scheduled, please exchange with another club. It is your responsibility to see that materials are picked up and returned when you are scheduled!** Race office chairs are listed on the handout inserted in the bib packet.
